Bell Hedge Shear Series

Engineered for professionals who demand more than a clean cut — the Bell Hedge Shear Series brings industrial-grade performance to every stroke. Built from hardened carbon steel and advanced ergonomic materials, each tool in this bundle blends cutting power with comfort, making long hours in the field effortless and efficient.

Why Choose Bell Hedge Shears

High-Carbon 50C Steel Blades – HRC 46 ± 2 body, HRC 50–60 edge

Teflon & Chrome Coatings – Corrosion-resistant, low-friction cuts

Ergonomic TPR Grips – Comfort and slip-free control

Reinforced Handles – Steel or aluminum frames for all-day strength

6 mm Cutting Capacity – Ideal for garden, orchard, or industrial use
